

Celebrate Public Power & Win!

To celebrate Public Power Week, Sun Prairie Utilities invites you to join our first ever photo scavenger hunt! We hope you learn (and share your knowledge!) about the benefits that come from the community's ownership of SPU. Fun is also allowed and encouraged. Hey... you may even win a stay at the Kalahari Resort for you and your family! (If you don't tell the kids & bring friends instead, we won't tell) You must be provided electric or water service at your place of residence by Sun Prairie Utilities to be eligible.

To participate:

- Find as many examples as you can of the public power benefits listed. List will be posted on our website and on our Facebook Page on Oct 1st at 8:00am!
- Take a picture of each item from the list with a sign or your fingers identifying the picture number you are on!

(get creative...fingers, dry erase board, we just need to know what # pic you are on!)

- Post them to an online album viewable by the public. Facebook, Google, Flickr, Pinterest... you choose!
- When you've posted **all** your photos, send us an email at information@sunprairieutilities.com with a link to your album. A tag or a mention on Facebook along the way is appreciated & encouraged!

Contest begins on Oct 1st, 2017. Entries will be accepted until Oct 15th, 2017 at midnight. The first person to submit an album with photos from **all** the examples from our list will win a smart thermostat! Each complete album entry will enter you into a drawing for a Kalahari Prize Pack! (a \$400 value!) If no one submits a complete album, the person who submitted the most photos from the list by noon on Oct 15th, will be declared the winner of the Kalahari Prize. In the event of a tie, the person who submitted the most photos earliest, as determined by the date/time stamp on their email, will be the winner! Additionally, we've got some fun giveaways for people who submit great photos. These will be given out based entirely on our artistic subjectivity. We promise to wear black berets when making the decision.

Fine Print Warning! Electric or water service must be provided to your place of residence by SPU to be eligible. The winner of the Kalahari package will be able to select the date for their stay. Any amount over the gift card value will be the responsibility of the card holder. Photos submitted must be original photos taken by the participant and you must be identifying the picture with a number. By participating, you agree to allow SPU to use your photos for contests and utility promotional purposes. SPU employees as well as their immediate family (spouse, parents and children) are not eligible to win but may participate for the heck of it.

PHOTO SCAVENGER HUNT LIST

All photo subjects must be within Sun Prairie corporate city limits to qualify.

RELIABLE

1. Sun Prairie Utilities Payment drop box (We have 2!)
2. Sun Prairie Utilities vehicle
3. A Sun Prairie Utilities electric or water meter
